INTRODUCTION

Chopra group is a successful family run business organization ventured into different sectors such as Sawmill, Timber Importer, Panel Board Lamination (Short Cycle Process), Readymade Doors, Construction and Steel.

Based on our vast experience in saw mill (Chopra Timbers) industry, We ventured with our second project C.T.Trading co, where we wanted our customer to be served best for their valuable needs, keeping in this mind our experienced sourcing team makes frequent trips to South-East Asian countries, Africa and South America for continuous improvement with the quality of our timber. We liaise closely with small specialist saw millers and local governments to ensure the wood is sourced and cut to our exact standards, being in the trade for decades, you can expect a fast, efficient and personal service and a courteous approach. Those traditional qualities are the root of C.T Trading Co. estates success now and forever. Further to this we have also tied up with a reputed malaysian door Manufacturing company & our superior quality doors are supplied in entire southern region of India in the trusted brand name of CT DOORS which gained a major market share in this segment.
